The Dan Green Summer Programs have been a part of The Woodlands Community for over thirty-years. A fun environment for the athlete as well as the instructor makes for a better learning opportunity for each participant.

During Coach Green's coaching career he has won FIFTEEN cross country state championships as well as ONE track and field state championship. He also has won TWENTY-FOUR regional titles and TWENTY-EIGHT district titles. The track and field teams have been ranked number one in the nation in the high school power ratings in 1997, 1998, 1999 and 2000 before being discontinued in 2001. A new power ranking system was established in 2009 in which TWHS finished 3rd in the nation

Coach Green's success with all types of athletes has not only made him one of the most successful coaches in the state but in the nation.
